LOOSE LEAF TEAS

english breakfast

a full flavoured and deeply satisfying blend of bright african and malty assam

3-5 minutes*

earl grey

the elegant fragrance of the bergamot fruit gives earl grey its famous flavour

3-5 minutes*

afternoon darjeeling

found at high altitudes, which allows it to grow slowly and develop delicate flavours

3-5 minutes*

pure assam

powerful, invigorating tea, from the very best tea estates in the area

3-5 minutes*

china rose petal

blended congou teas with rose petals added for a sweet floral character

3 minutes*

lapsang souchong

dried on bamboo over smoking pine wood fires, gives a uniquely deep, rich, smoky flavour

3 minutes*

pure green tea

the lush green highlands of nandi hills in kenya produce a delicate flavour

2-3 minutes*

moroccan mint

from the bazaars of fez and casablanca, delicate yet refreshing

2-3 minutes*

imperial gunpowder

fresh leaves, hand-rolled in steel pans over open fire then shaped into tiny pellets which 'explode' in hot water

2-3 minutes*
